3

Flexibility to fit your needs

A Local Development Order (LDO) for the Woodside Estate makes planning simple, so you can easily adapt your unit to fit your needs. Plus, being part of a large estate means you have the room to grow.

Sustainable, smart & good for well-being

Sustainability is at the heart of everything we do. Our refurbishments include EV/PV solar panels, Automatic Meter Reading (AMR) systems and EV charging points, reducing your carbon footprint. You'll also have access to our Community Garden and W Studio, offering yoga, pilates, and more.

We take care of the details, so you don't have to. Our friendly on-site team manages security, landscaping, and estate maintenance, plus a dedicated Community Manager is always on hand.
